Note: If certain circumstances require a passenger to check-in or present themselves at the boarding gate earlier than the above deadlines, carriers should set out such circumstances and the related deadlines (e.g. to reflect additional time that might be needed to prepare and board a person with a disabilities' power wheelchair at certain airports).

***Recommended check-in time:** To ensure that the passenger has plenty of time to check in, drop off checked baggage and pass through security, the above table sets out how much in advance of the flight's departure time the passenger should check in. e.g. if the passenger's flight leaves at 4:00 pm, the carrier recommends that the passenger check in at 1:00 pm (180 minutes before the flight).

The carrier is not liable to the passenger for loss or expense due to the passenger's failure to comply with this provision.

Note: It is recommended that the passenger provide the carrier with a point of contact (e-mail address and/or telephone numbers) in case the carrier must communicate with the passenger prior to his/her departure or at any point during the passenger's itinerary. 4. (K) Communication and Confirmation of Information

Announcements to passengers concerning stops, delays, schedule changes, connections, onboard services and claiming of baggage will be made in visual, verbal and/or written format to persons with disabilities who request such a service.

Rule 95: Denied Boarding and Overbooking

Note: In the case of code-share, passengers are advised that the denied boarding rules applicable to their transportation are those of the carrier identified on your ticket and not of the carrier operating the flight. When the carrier is unable to provide previously confirmed space due to there being more passengers holding confirmed reservations and tickets than for which there are available seats on a flight, the carrier will follow the provisions of this rule, unless as otherwise provided in other applicable foreign legislation.

(A) Applicability

1. This rule applies to all passengers irrespective of the type of ticketed fare.

A passenger who fails to check-in or present themselves at the boarding area within the carrier's check-in deadline and/or boarding time deadline as specified in Rule 40 (F), Check-in Time Limits, will not receive denied boarding compensation, will at the carrier's discretion have their reservations cancelled and will be subject to the terms and conditions associated with the fare on which he or she is travelling.

(B) Request for Volunteers

When a situation of denied boarding due to overbooking occurs, the following will apply:

1. The carrier will publicly ask for volunteers to relinquish their seats from among the confirmed passengers. At the same time, the carrier will announce what type of benefits passengers will be entitled to should a passenger voluntarily relinquish his/her seat. This request process will take place at the check-in or boarding areas. The carrier will continue to make this request of passengers until it obtains enough volunteers to prevent other passengers from being involuntarily denied boarding or until it determines that it does not, despite its best efforts, have enough volunteers.
2. Once a passenger has voluntarily relinquished his/her seat, the passenger will not later be involuntarily denied boarding unless he/she has been advised at the time he/she volunteered of such possibility. At the time the passenger is advised of such possibility of a further denial of boarding, the passenger is to be advised of any further compensation to which he or she may be entitled to receive.
3. The passenger who voluntarily surrenders his/her seat will receive agreed upon benefits from the carrier. Volunteers will be offered rerouting/refund options as set out in Paragraph (D) 1, 2 and 3 of this rule over and above the aforementioned benefits. In addition, a passenger who has voluntarily surrendered his/her seat will be offered the following free of charge:

 - (d) With respect to third parties, the Carrier reserves all rights of recourse against any other person, including, without limitation, rights of contribution and indemnity.
 - (e) The carrier agrees that, subject to applicable law, recoverable compensatory damages for such claims may be determined by reference to the laws of the country of the domicile or country of permanent residence of the passenger.
2. In cases of bodily injury or death, the carrier shall make an advance payment where the Carrier determines it is necessary to meet the immediate economic needs of, and hardship suffered by, a passenger as provided in the following paragraphs:
- (a) Unless a dispute arises over the identity of the person to whom an advance payment shall be made, the Carrier shall, without delay, make the advance payment to the passenger in an amount or amounts determined by the Carrier in its sole discretion. In the event of death of a passenger, the amount of the advance payment shall not be less than 16,000 Special Drawing Rights, which shall be paid to a representative of the passenger's next of kin eligible to receive such advance payment as determined by the Carrier in its sole discretion.
 - (b) The Carrier shall make the advance payment as an advance against the Carrier's liability under the Warsaw Convention, or the Montreal Convention, whichever may apply. An advance payment shall not constitute recognition of liability. An advance payment shall be offset against, or deducted from the payment of, any settlement or judgment with respect to any claim for compensation on behalf of the passenger.
 - (c) The Carrier, in making an advance payment, does not waive any rights, defenses, or limitations available under the Warsaw Convention, or the Montreal Convention, whichever may apply, to any claim, nor shall acceptance of an advance payment constitute a release of any claim, whatsoever, by any person.
 - (d) The Carrier, in making an advance payment, preserves its right to seek contribution or indemnity from any other person for such payment, which shall not be deemed to be a voluntary contribution or contractual payment on the part of the Carrier.
 - (e) The Carrier may recover an advance payment from any person where it is proven that the Carrier is not liable for any damage sustained by the passenger, or where it is proven that the person was not entitled to receive the payment, or where and to the extent that it is proven that the person who received the advance payment caused, or contributed to, the damage.

Liability in the case of delay

3. The Carrier shall be liable for damage occasioned by delay in the carriage of passengers by air, as provided in the following paragraphs:
 - (a) The Carrier shall not be liable if it proves that it and its servants and agents took all measures that could reasonably be required to avoid the damage, or that it was impossible for it or them to take such measures.
 - (b) Damages occasioned by delay are subject to the terms, limitations and defenses set forth in the Warsaw Convention and the Montreal Convention, whichever may apply, in addition to any limitation or defense recognized by a Court with proper jurisdiction over a claim.
 - (c) The Carrier reserves all defenses and limitations available under the Warsaw Convention or the Montreal Convention, whichever may apply to claims for damage occasioned by delay, including, but not limited to, the exoneration defense of Article 21 of the Warsaw Convention and Article 20 of the Montreal Convention. Under the Montreal Convention, the liability of the Carrier for damage caused by delay is limited to 5,346 SDR per passenger. The limits of liability shall not apply in cases described in Article 25 of the Warsaw Convention or Article 22(5) of the Montreal Convention, whichever may apply.

Liability in the case of destruction or loss of, damage to, or delay of checked and unchecked baggage

4. The Carrier is liable for damages sustained in the case of destruction or loss of, damage to, or delay of checked and unchecked baggage, as provided in the following paragraphs:
 - (a) Except as provided below, the liability of the Carrier is limited to 1,288 Special Drawing Rights for each passenger in the case of destruction, loss, damage, or delay of baggage, whether checked or unchecked, under the Warsaw Convention or the Montreal Convention, whichever may apply. Unless the passenger proves otherwise:
 - (i) All baggage checked by a passenger shall be considered to be the property of that passenger;
 - (ii) A particular piece of baggage, checked or unchecked, shall not be considered to be the property of more than one passenger; and
 - (iii) Unchecked baggage, including personal items, shall be considered to be the property of the passenger in possession of the baggage at the time of embarkation.
 - (b) If a passenger makes, at the time checked baggage is handed to the Carrier, a special declaration of interest and has paid a supplementary sum, if applicable, the Carrier will be liable for destruction, loss, damage, or delay of such checked baggage in an amount not exceeding the declared amount, unless the Carrier proves that the declared amount is greater than the passenger's actual interest in delivery at destination. The declared amount, and the Carrier's liability, shall not exceed the total amount of declaration permissible under the Carrier's regulations, inclusive of the limitation of paragraph (B)4(a) hereof. In the case of transportation under the Warsaw Convention, no supplementary sum shall apply

unless the declared amount exceeds 19 Special Drawing Rights per kilogram of the total recorded weight of the checked baggage at the time the baggage is handed to the Carrier.

Note: this provision is not applicable to a person with a disability's mobility aid.

- (c) In the case of unchecked baggage, the Carrier is liable only to the extent the damage resulted from its fault, or that of its servants or agents.
- (d) The carrier is liable for the damage sustained in case of destruction or loss of, or damage to, checked baggage upon condition only that the event which caused the destruction, loss or damage took place on board the aircraft or during any period within which the checked baggage was in the charge of the carrier. However, the carrier is not liable if and to the extent that the damage resulted from the inherent defect, quality or vice of the baggage. Further, the carrier's liability for the destruction, loss, damage or delay of baggage is subject to the terms, limitations and defenses set forth in the Warsaw Convention and the Montreal Convention, whichever may apply, in addition to any limitation of defense recognized by a Court with proper jurisdiction over claim.
- (e) The Carrier reserves all defenses and limitations available under the Warsaw Convention and the Montreal Convention, whichever may apply to such claims including, but not limited to, the defense of Article 20 of the Warsaw Convention and Article 19 of the Montreal Convention, and the exoneration defense of Article 21 of the Warsaw Convention and Article 20 of the Montreal Convention, except that the Carrier shall not invoke Article 22(2) and 22(3) of the Warsaw Convention in a manner inconsistent with paragraph 1 hereof. The limits of liability shall not apply in cases described in Article 25 of the Warsaw Convention or Article 22(5) of the Montreal Convention, whichever may apply.

Mobility aids

Note: Notwithstanding the normal carrier liability as contained in this rule, the limit of liability will be waived for claims involving the loss of, damage to, or delay in delivery of mobility aids, when such items have been accepted as checked baggage or otherwise. In the event that a mobility aid is lost or damaged, compensation is to be based on the cost of the repair or replacement value of the mobility aid.

In the event that a mobility aid is lost or damaged:

- (a) The air carrier will immediately provide a suitable temporary replacement without charge;
- (b) If a damaged aid can be repaired, in addition to (a) above, the air carrier will arrange, at its expense, for the prompt and adequate repair of the aid and return it to the passenger as soon as possible;

- (c) If a damaged aid cannot be repaired or is lost and cannot be located within 96 hours following the passenger's arrival, the carrier will in addition to (a) above, replace it with an identical aid satisfactory to the passenger, or reimburse the passenger for the replacement cost of the aid.

Service Animals

Should injury or death of a Service Animal result from the fault or negligence of the carrier, the carrier will undertake to provide expeditiously, and at its own expense, medical care for or replacement of the service animal.

(C) Time Limitations on Claims and Actions

Under the Warsaw Convention and the Montreal Convention, whichever may apply, an action for damages must be brought within two years, and a complaint must be made to the carrier within seven calendar days in the case of damage to baggage, and 21 calendar days in the case of delay thereof. For baggage claims, reimbursement for expenses will be based upon acceptable proof of claim.

(D) Notices

The Carrier will provide each passenger whose transportation is governed by the Warsaw Convention or the Montreal Convention with the following notice:

Advice to International Passengers on Carrier Liability

Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including special contracts of carriage embodied in applicable tariffs, governs and may limit the liability of the Carrier in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

"Limits of liability: the applicable limits of liability for your journey on a flight ticketed by this carrier are:

1. There are no financial limits for death or bodily injury and the air carrier may make an advance payment to meet immediate economic needs of the person entitled to claim compensation;
2. In the case of destruction, loss of, or damage or delay to baggage, 1,288 Special Drawing Rights per passenger in most cases. You may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively,

if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel;

3. In the case of delay to your journey, 5,346 Special Drawing Rights per passenger.

(E) Overriding Law

If any provision contained or referred to in the ticket or this tariff is found to be contrary to an applicable law, government regulation, order or requirement, which cannot be waived by agreement of the parties, such provision, to the extent that it is invalid, shall be severed from the ticket or tariff and the remaining provisions shall continue to be of full force and effect.

(F) Modification and Waiver

No agent, servant or representative of the carrier has the authority to alter, modify, or waive any provisions of the content of carriage or this tariff.

(G) Gratuitous Transportation

All passengers who are transported gratuitously by the carrier will be governed by all the provisions of this rule and by all other applicable rules of this tariff.

Rule 125: Refunds

(A) General

1. If, at the time of ticket purchase, the purchaser designates another person to whom the refund shall be made, then the refund will be made to the person so designated. To do so, the passenger must contact the carrier directly.
2. Acceptance of a refund by the passenger will release the carrier from further liability.
3. In any instance where refunds are appropriate, the carrier will process requests in a timely manner and refund the fare in the original form of payment. The carrier will process refund requests within 3-5 business days for credit card purchases and within 10-20 business days for cash or cheque transactions.

(B) Involuntary Refunds

1. Involuntary refunds are not subject to any restrictions contained in the applicable fare rule insofar as they follow the APPR provisions under the carrier's control and refusal to transport.
2. The amount of the involuntary refund will be as follows:
 - (a) If, due to a schedule irregularity within the carrier's control or denied boarding in accordance with Schedule Irregularities Rule 90 (C) 2 (d) and Denied Boarding Rule 95(D) 4., the passenger chooses to no longer travel due to loss of purpose of travel or if alternate travel could not be provided within a reasonable time, the carrier will offer a refund equal to the fare and charge paid, irrespective if travel has commenced.
 - (b) If, due to a schedule irregularity within the carrier's control or denied boarding in accordance with Schedule Irregularities Rule 90 (C) 2 (d) and Denied Boarding Rule 95(D) 4., the passenger chooses to no longer travel because the alternate transportation offered does not meet with the passenger's satisfaction, the carrier will offer a refund equal to the fare and charge paid.
 - (c) If, due to a schedule irregularity not within the carrier's control or a refusal to transport in accordance with Schedule Irregularities Rule 90 (C) 3 (d) and (e) and Refusal to Transport Rule 105(C)1., no portion of a ticket has been used, the amount of refund will be equal to the fare and charges paid; or
 - (d) If, due to a schedule irregularity not within the carrier's control or a refusal to transport in accordance with Schedule Irregularities Rule 90 (C) 3 (d) and (e) and Refusal to Transport Rule 105(C)1., a portion of the ticket has been used, the amount refunded to the purchaser will be the one that results in the most generous amount using one of the following methods:
 - (i) Provided that the point where travel terminated was on the passenger's routing as shown on the original ticket and the routing remains unchanged, the passenger will be refunded the difference between the one way fare applicable to the unused transportation from the point where the passenger terminated travel to the destination or next stopover point as named on the ticket or to the point at which transportation is to be resumed less the same rate of discount, (if travel is on a discount fare) that was applied to the original one way fare (including all charges). If the passenger was travelling on a round trip or circle

trip ticket, the amount refunded would be based on the rate of discount of one half of the round trip fare; or,

- (ii) If the point where the passenger terminated travel was not on the routing specified on the ticket, the refund will be based on the lowest applicable fare of any air carrier operating between the point where the passenger terminated travel to the destination or next stopover point named on the ticket or to the point at which transportation is to be resumed.

3. Involuntary refund of tickets shall be made in the currency used to issue the ticket and, in the country, where the ticket was purchased, whenever possible. However, Canadian dollar refunds or refunds in the currency of the country where the involuntary refund is necessary may be made at the request of the passenger provided a refund in such currency is not prohibited by local government foreign exchange control regulations.

(C) Voluntary Refunds – NOT APPLICABLE TO NOLINOR INsofar AS THE TICKET IS A NON-REFUNDABLE ONE AND WHEN THE PASSENGER CAUSED THE CANCELLATION AND FOR SITUATIONS OUTSIDE THE CARRIER'S CONTROL AND FOR PROHIBNITED PRACTICES.

2. For tickets involving international travel, certain countries limit the amount of time the passenger may stay in a particular country without a visa or other official government documentation granting permission to stay for an extended period of time. Accordingly, the refund of unused coupon(s) may be refused, unless the passenger is able to prove that he/she has received government permission to remain in the country or is departing the country on another carrier or by other means of transport.
